New Zealand's Highest Rated – Richmond® IP69K Batten Built for Tough Environments

The Richmond® IP69K Batten is a durable, high-performance tri-proof light designed for harsh and hygienic environments such as farms, factories, food manufacturing facilities, car washes, and more.

Key Benefits

- **IP69K Waterproof & Dustproof:** Handles high-pressure, high-temperature cleaning.
- **IK10 Impact Resistant:** Tough against physical damage.
- **Anti-Bird Design:** Helps maintain hygiene by preventing nesting.
- **Linkable (1500mm):** Easy installation over large areas.
- **High Brightness:** 48W, 7200 lumens, energy-efficient.

Smart Features

- **AM Smart Control:**
 - Set schedules for automatic on/off.
 - Adjust color temperature to suit different scenario
