

LED Tri-proof Light – Tough, Clean, and Efficient

The LED Tri-proof Light is a robust and efficient solution for demanding environments such as warehouses, farms, and food processing areas.

Item No.	Size (mm)	Power	Lumen Output	CRI	Function	Colour Temp	Dimmable
UP13-1200	1280L x 124W x 86H	30-50w	3860-6700lm	>80	On/off	4-5-6K CCT	NON-Dim
UP13-1200-EM	1280L x 124W x 86H	30-50w	3860-6700lm	>80	Emergency	4-5-6K CCT	NON-Dim
UP13-1500	1580L x 124W x 86H	35-60w	4500-8200lm	>80	On/off	4-5-6K CCT	NON-Dim
UP13-1500-EM	1580L x 124W x 86H	35-60w	4500-8200lm	>80	Emergency	4-5-6K CCT	NON-Dim

Key Benefits:

- **IP65 Rated** – Waterproof and dustproof for wet and dusty areas
- **IK08 Impact Resistant** – Withstands physical shocks and harsh handling
- **Anti-Corrosion Build** – Ideal for damp or chemical-prone environments
- **High Efficiency** – Up to 130lm/W for energy savings
