H3 AM New Technologies — BLUFF Indoor Surface Mount Light

Bluff is a versatile indoor surface-mounted luminaire designed to deliver comfortable, high-quality illumination for both commercial and residential interiors. With excellent colour rendering and effective glare control, it provides a clean, balanced lighting environment suited to offices, apartments, corridors, and shared spaces.

Key Features

- Suitable for commercial and residential applications
- Adjustable colour temperature: 3000K / 4000K / 5000K
- High colour rendering with CRI >90 for natural, accurate light
- Low-glare design with UGR <19 for improved visual comfort
- UV-stabilised polycarbonate construction for long-term durability
- Flexible installation: ceiling or wall mounted
- Double-insulated wiring for added safety
- Triac dimmable with flicker-free operation
- 5-year warranty
